

Resolution

of the Federal Joint Committee (G-BA) on the Discontinuation of the Benefit Assessment of Prasterone in Accordance with Section 35a SGB V

of 17 October 2019

At its session on 17 October 2019, the Federal Joint Committee (G-BA) passed the following resolution:

The procedure for benefit assessment of prasterone in accordance with Section 35a SGB V will be discontinued.

The resolution will enter into force on the day of its publication on the internet on the website of the G-BA on 17 October 2019.

The justification to this resolution will be published on the website of the G-BA at www.g-ba.de.

Berlin, 17 October 2019

Federal Joint Committee (G-BA)
in accordance with Section 91 SGB V
The chair

Prof Hecken
